The Honorable Robert Wilkie
Secretary
Department of Veterans Affairs
810 Vermont Avenue, N.W.
Washington, D.C. 20420

Dear Mr. Secretary:

I am writing to request additional information about alleged improper influence of individuals associated with President Trump's National Golf Club Mar-a-Lago over policy, personnel, and program decisions of the Department of Veterans Affairs.

A recent report from *ProPublica* on influence of Mar-a-Lago Club associates included a letter from Dr. Albert Hazzouri addressed to President Trump on what appears to be Mar-a-Lago Club stationary.¹ Dr. Hazzouri is a cosmetic dentist with no known government experience or military service. In the letter, Dr. Hazzouri advocates for "creat[ing] an oversight committee" with the American Dental Association that would oversee the spending of federal dollars on dental care for "the vets, Native American Indians and underprivileged children."² This letter bears the stamp: "the President has seen," and in marker a handwritten note reads: "Send to David S at the V.A." which contains what appears to be President Trump's initial.³

This letter provides evidence that additional private interests associated with Mar-a-Lago may have asserted influence, or attempted to assert influence over the Department. Until now, this investigation was limited in scope on the influence of Mr. Ike Perlmutter, Dr. Bruce Moskowitz, and Mr. Marc Sherman over the Department. However, this most recent letter containing President Trump's handwritten note directing a former VA Secretary to consider a private individual's request necessitates an investigation into the influence of other private individuals and entities that sought to influence VA through connections with the President's Mar-a-Lago Club.

Therefore, in addition to the items contained in the document request letter of February 8, 2019, I request any documents and communications in the possession, control, or custody of the Department of Veterans Affairs originating from President Trump's National Golf Club Mar-a-
